

## Mechanics Lien Notice To Owner

### Select Download Format:

Dans le contexte de la construction, un lien de mécanique est un document juridique qui sert à notifier le propriétaire d'un bien immobilier de la présence d'un lien de mécanique. Ce document est généralement utilisé pour garantir le paiement des factures de fourniture de matériaux ou de services de construction. Le lien de mécanique est enregistré auprès du registre public des hypothèques de la province ou du territoire concerné.
